

Lady Gaga Bad Romance Video

An Exegetical Exercise

1

Introduction

- This exercise is designed to help us understand the world we live in through the lens of Scripture
- I chose this subject matter since it is a good articulation of world values and systems, and highly relevant to today's class material
- I also chose it because it's more transparent than any other artwork I have seen regarding the nature of foolishness
- The video, nor the lyrics, are Scripture and so should be heavily discounted
 - In other words, do not try to apply it, but rather just try to understand it through the Scriptures
